

BEST OF WASTE

Here we are back again with our most creative event of Abhiyantran' 17. Give your BEST to SHAPE the WASTE.

But first follow the quest to make the best from waste!!

Rules of the Event:

1. There will be two rounds.
2. First round will check your analytic ability in tackling a problem.
3. Participants selected after the first round will be given waste and have to brush up their engineering skills and make best out the the given waste.
4. Each team should have maximum 3 members.
5. The judging criteria for the second round will be based on innovation, presentation and uniqueness of your idea.

Entry Fee: INR 90/- per team.

Prizes Worth INR 3500/-
