## NFS MOST WANTED

It is a multiplayer graphics intense racing game for PC.
So let your car-ma speak for you!

Rules of the **Event:**

Each stage will consist of a single round.

STAGE 1: Race type: Sprint
1. Each player will be given a single complete profile and single car.
2. Players would be divided into several groups (minimum 3 competitors per group) and top two from each will proceed to further round.

STAGE 2: WILD CARD ENTRY
1. Top 4 players knocked out from first stage will be given a second chance to compete further.
2. All players will compete in a single group and only a single player who wins the race would be allowed to play further.

STAGE 3: Race Type: Circuit (3 laps)
1. Players will be given freedom to choose from 3 given cars.
2. All qualified players will be divided into several groups and top 2 players from each will qualify for the final round.

FINAL STAGE: Race Type: Circuit (3 laps)
1. Players will be free to choose any car of their choice.
2. Winner and runner up of the event will be chosen from result of this stage.

NOTE: In each round, maps will be decided randomly by the organizing committee at the spot.

**Entry Fee:** INR 30/-

**Prizes Worth** INR **2000/-**
